

Colourful Patterns

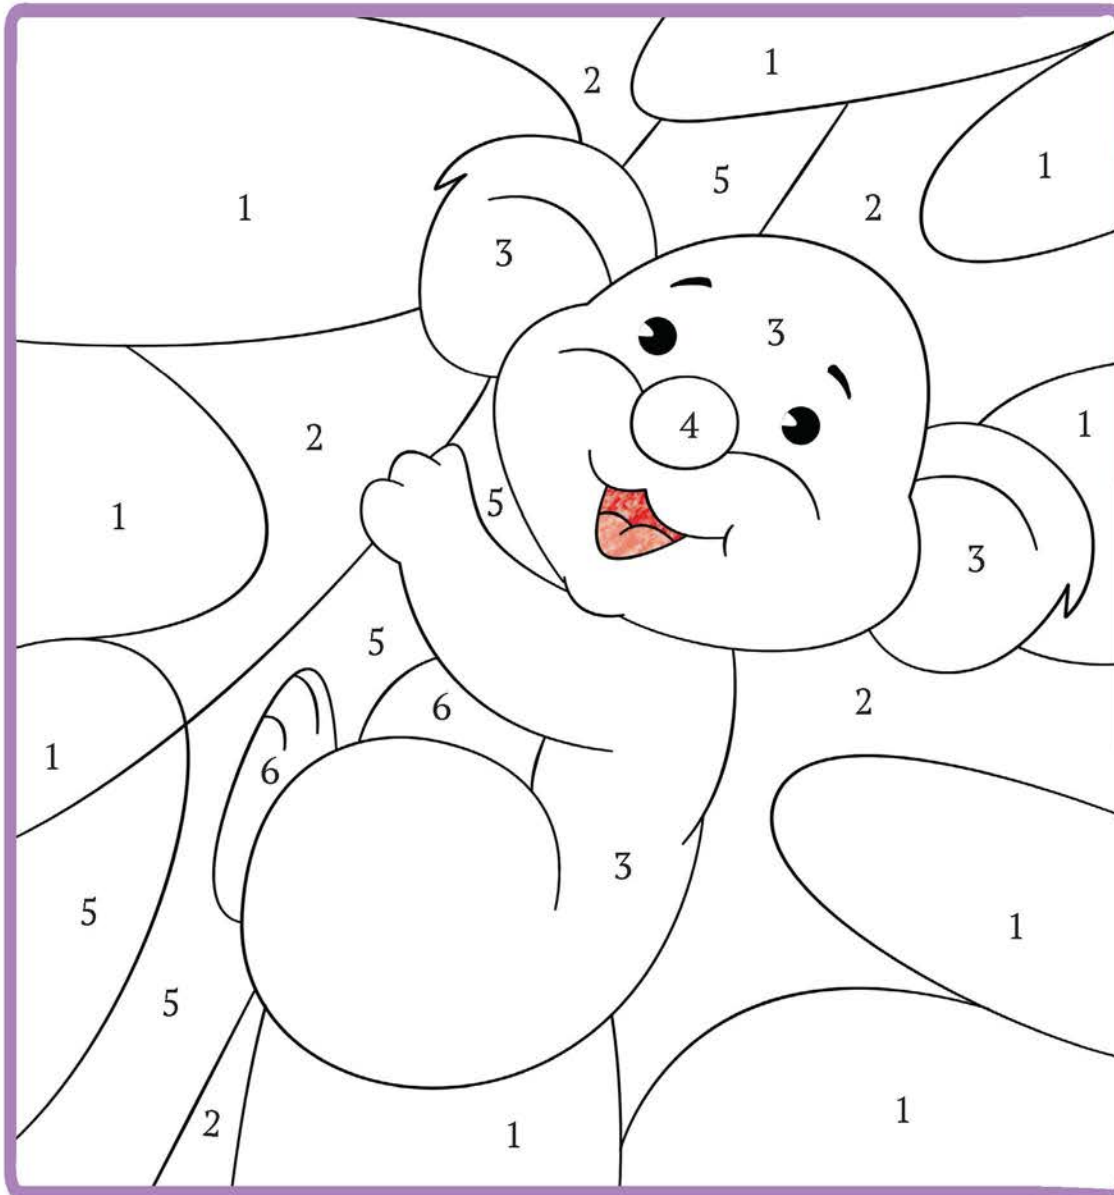

Make patterns with straight and curved lines.

7

Koala Bear

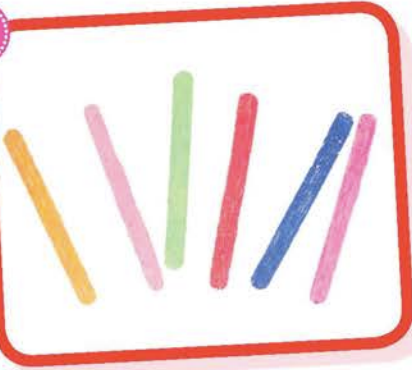

Colour the bear with crayons using the colour code.

Stick Fish

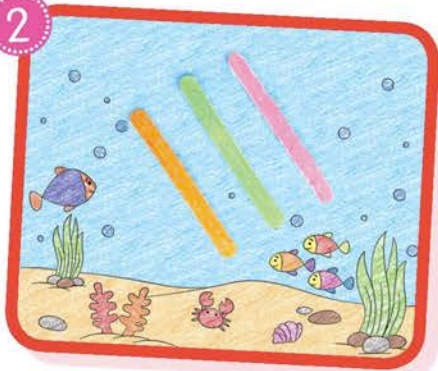

Let us use some sticks to make a fish!

1

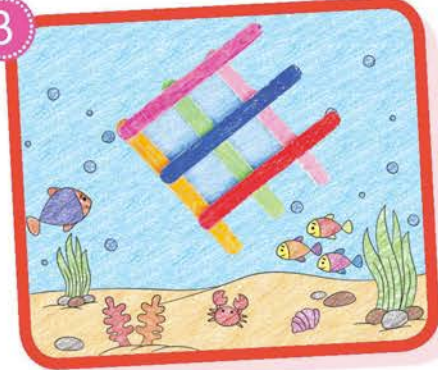

Colour six ice cream sticks using crayons.

2

Paste three ice cream sticks as shown.

3

Now paste the remaining sticks over the previous sticks as shown.

What you need

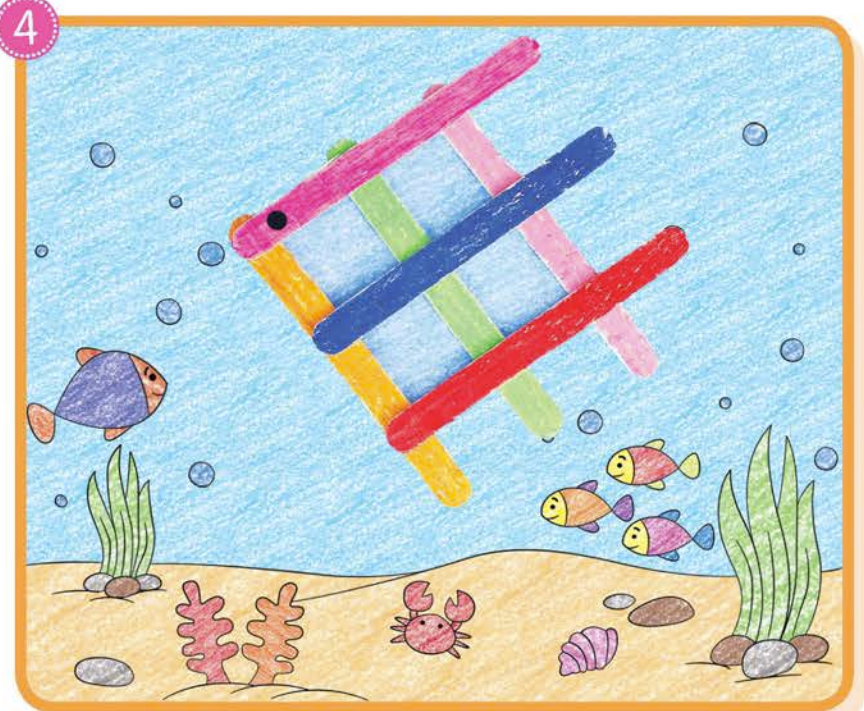

6 ice cream sticks,
black bindi

glue, crayons

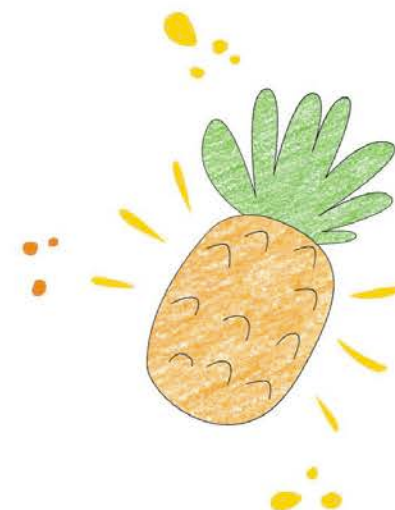

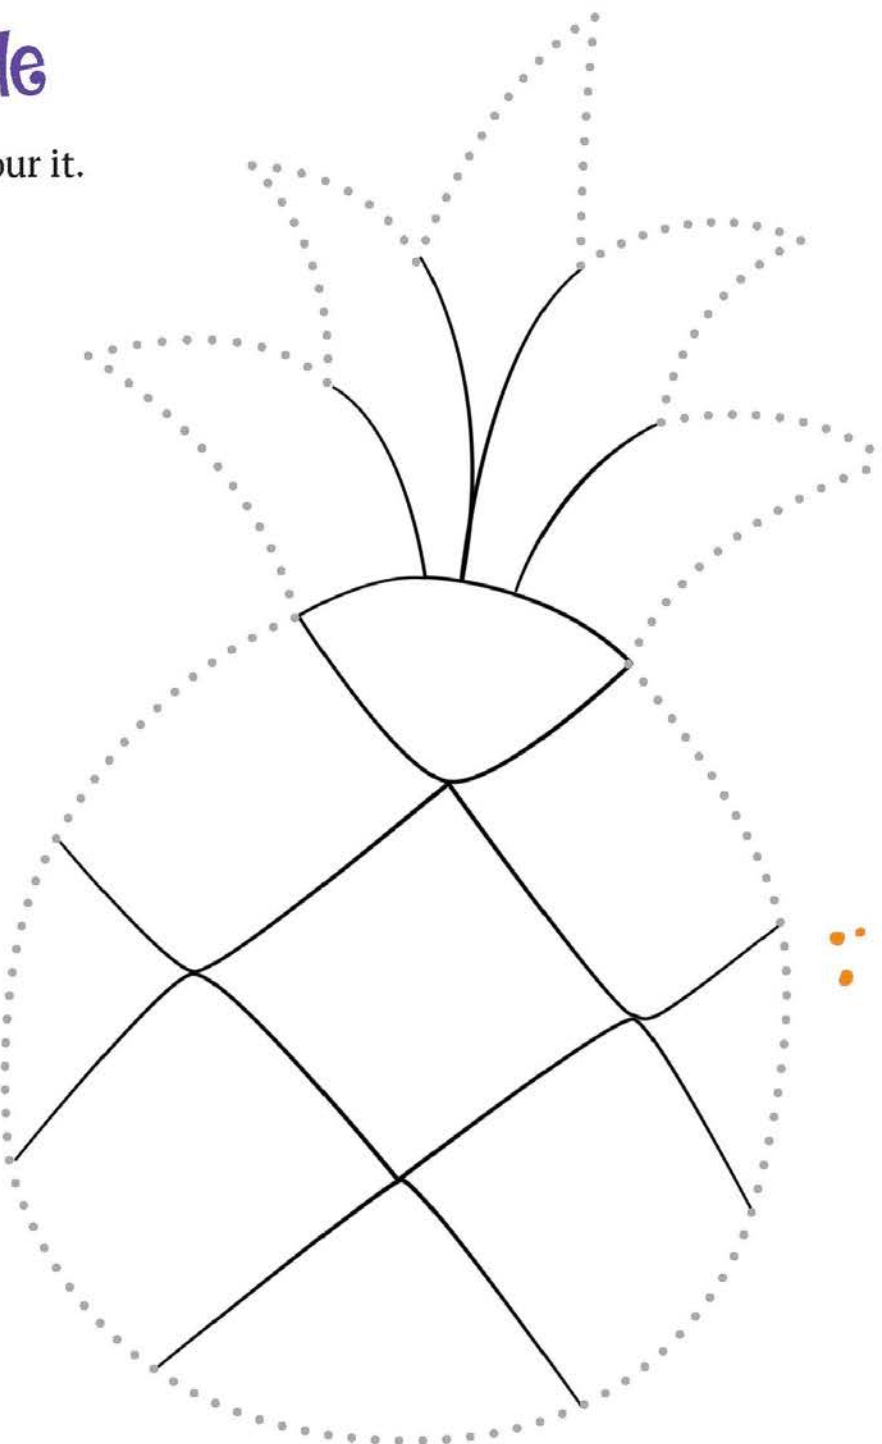

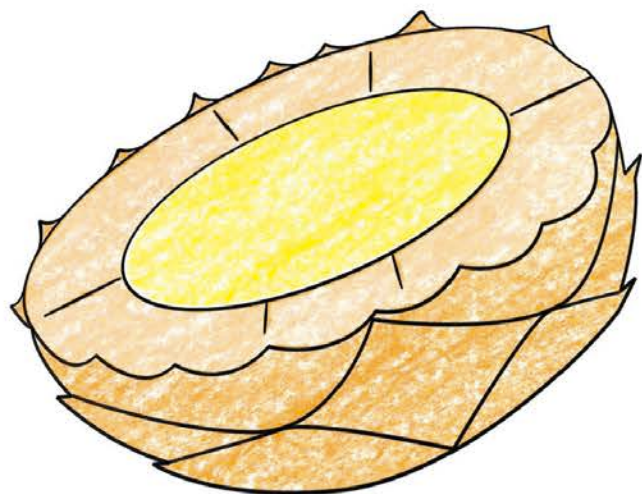

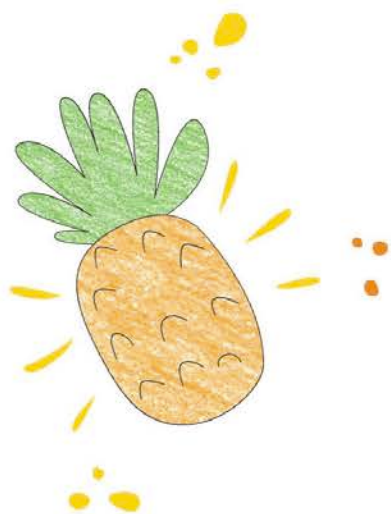

4

Paste a bindi to make the eye. The stick fish is ready!

Juicy Pineapple

Trace the pineapple and colour it.

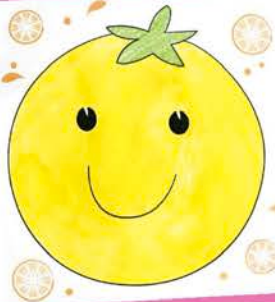

Bright Orange

Let us learn colour mixing.

What you need
piece of sponge
yellow and red paint

1

Take some thick yellow paint and dab it on the orange with a piece of sponge.

2

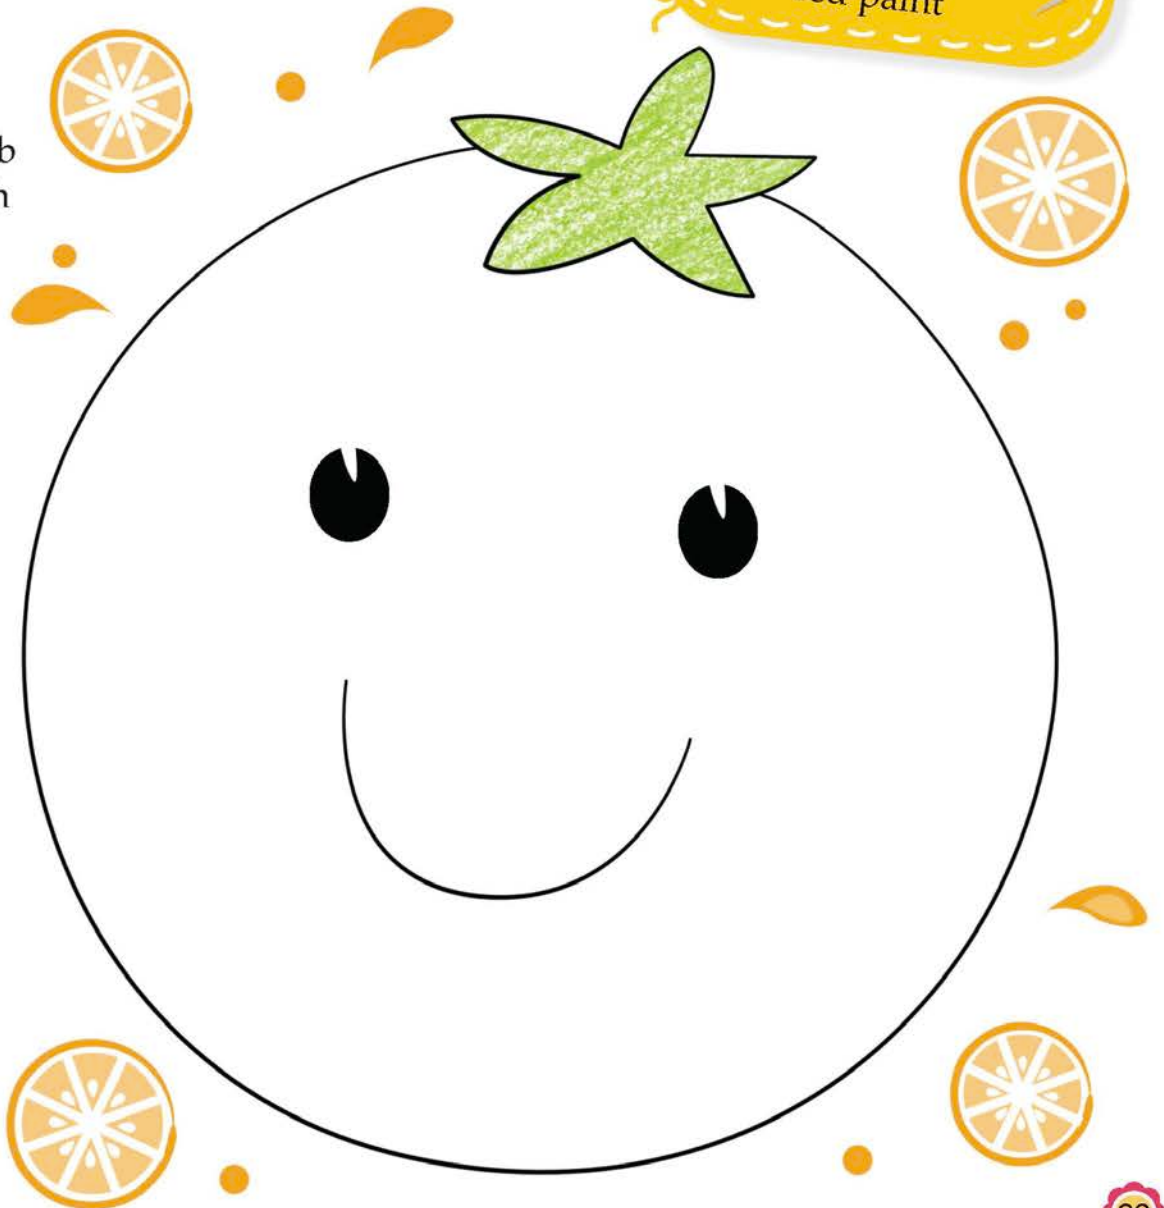

Then dab some watery red paint on the yellow paint.

3

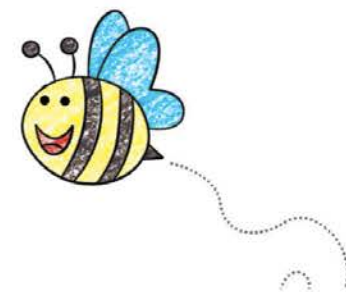

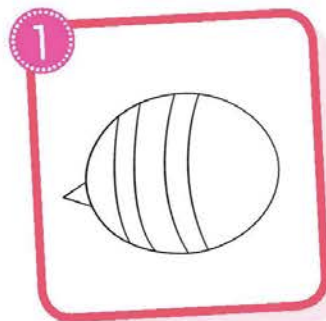

Look, how the two colours mix to give you a bright orange colour.

Buzzing Bee

Follow the steps to draw a bee and colour it.

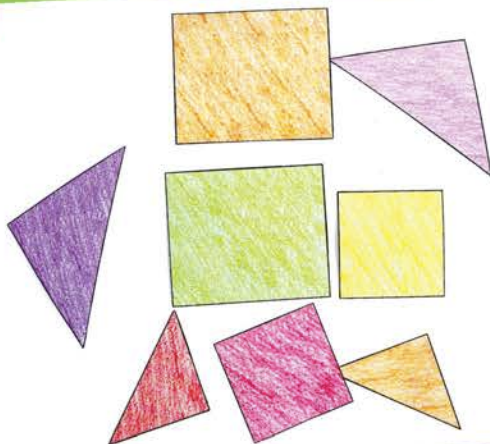

Skyline

Cut triangles and squares. Colour and paste them to make a skyline.

What you need
 white paper, crayons,
 scissors, glue

1

2

3

* Take the help of a grown-up while using scissors.

Bright Butterfly

1

Take a tissue roll. Make eyes, a nose and a smile on the roll with a crayon.

2

Draw wings on a white card and cut them out. Make some colourful patterns on the wings.

3

Paste the wings as shown.

What you need

cotton buds

tissue roll, crayons, glue, scissors, white card

4

Paste cotton buds to make antennae. The butterfly is ready!

* Take the help of a grown-up while using scissors.
